

Advanced Directives

Advanced Patient Directives Defined

Texas Liver Consultants at the Texas Liver Institute recognizes the “Patient Self-Determination Act” or the rights of patients to make choices concerning their medical care, including the right to accept, refuse or withdraw medical and surgical treatment to the extent permitted by state law, and to write advance directives for medical care in the event that they are unable to express their wishes.

I am aware of my patient rights with regards to Advanced Patient Directives.

_____ Yes

_____ No

Do you wish to provide Texas Liver Consultants at the Texas Liver Institute any Advanced Directives?
If yes, what are they:

Do you have any cultural or spiritual beliefs/practices that may affect your care? If yes, please describe:
